

SIEMENS

SIEMENS SMART LOCK - E868

Unlock true intelligence

AUTO LOCKING SILENT MORTISE
AESTHETIC SMART LIGHTING
IML TECHNOLOGY ELIMINATES TRACES

SIEMENS

Siemens Smart Lock

E868 Features

SPACE GREY

SECURITY

Unique Appearance

- Aesthetically elegant butterfly design.
- Minimalist rectangular design elements.

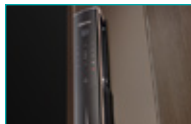

Hollow Carved Design

- One-Touch Ergonomic Grip to unlock the door.

Aesthetic Smart Lighting

- 10cm Optical Axis Lighting

Break Through The Limits of Crafting & Texture

- Vacuum Deposit Coating maintains a bright & striking appearance.
- IML Technology Eliminates Traces of fingerprint residue.

Auto Locking Silent Mortise

- SUS304 Stainless Steel ensures solid & durable construction.
- Smooth Glide Mortise for quiet locking & unlocking.

HUMANITY

Secure Encryption Door Cards

- CPU Embedded Card with Siemens' proprietary encryption algorithm.
- Anti-Cloning Access Cards.

Semiconductor Fingerprint Sensor

- 192 Super Resolution Fingerprint Sensor, tailor-made by FPC.
- Identification Algorithm with gun safe level encryption.

Multiple Unlock Methods

- Fingerprint, PIN Code, Encrypted ID Card & Key.

Designed for Life

- Integrated Door Bell, Voice Navigation, 7-Level Adjustable Volume.
- USB Type-C Interface for emergency powering.

Smart Alarms

- Anti-Pry, Wrong Input & Low Battery Warning.
- Abnormal Status, Overheating & Multiple Entry Failure alert.

Access Solution	Fingerprint / PIN Code / Encrypted ID Card / Key						
Fingerprint Identification	Semiconductor Sensor						
Fingerprint Capacity	Up to 100	Pin Capacity	Up to 10	Pin Length	6 - 12 Digits	Card Capacity	Up to 100
Power Supply	AA Battery x 8, Type-C Charging for Emergency						
Low Battery Indicator	Voice Alert Triggered when voltage is less than 4.8V						
Safety Alert Function	Trigger Alarm after 5 Continuous Authorization Failures, System Disable for 90 Seconds after 5 Failures						
Main Material	Zinc Alloy						
Product Size (mm)	420 x 84 x 52 (Outer)						
Supported Door Types	Fire Door / Solid Wooden / Timber Door						
Supported Door Thickness	40 - 100mm						
In The Box	Exterior Body, Interior Body, Mortise, AA Batteries x 8, Cylinder, Installation Template, User Manual, Accessories, Keys x 2, Cards x 2
